

## Terms and Conditions:

Copyright GPS Hunts (a division of Huntfun Limited) All rights reserved. No part of the publication may be reproduced, stored in a retrieval system, or transmitted, in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without the prior permission of the publishers.

The compiler of this Treasure Hunt accepts no responsibility or liability for any claim, loss, damage, injury or inconvenience whatsoever however sustained or caused as a result of using this Treasure Hunt. By taking part in the Treasure Hunt you and anyone accompanying you agrees to do so entirely at your own risk. Any disputes relating to the hunts will be adjudicated by GPS Hunts, their decision will be final.

By taking part in the Event you agree to grant permission for GPS Hunts to access your GPS location and share it with other participants for the duration of the game. For more information, please refer to our [Data Protection Policy](#).

We do not offer refunds on our digital products, If you wish to exchange your Event ticket for another date or location please get in touch with us at [info@gpshunts.co.uk](mailto:info@gpshunts.co.uk) 48 hours before the start of your event and we can arrange this for you.

Third party technologies. The hunt relies on the technology of Mapbox Maps in order to work. GPS Hunts will not accept any liability if this technology is temporarily unavailable. If the technology is permanently unavailable, GPS Hunts' liability shall be limited to the amount paid for the treasure hunt. The hunt relies on your network provider to connect to the internet. Any charges made by your network provider for connection to the internet and for the cost of any data transfer to your device are your responsibility. GPS Hunts accepts no responsibility or liability for any claim, loss, damage, or inconvenience whatsoever if you are unable to connect to your network provider in the location of your hunt. If you are unsure then we suggest you check your network provider's coverage at [UKmobilecoverage](#)
